

JAN-JUN 2021
EMERGENCY HOUSING FUND

195 families helped
 695 families since the start of the pandemic

\$396,710 funded

522 people served
 42.5% are children

EMERGENCY HOUSING FUND

Even with the reopening of the state, our communities continue to struggle after being weighed down with debt during the pandemic. Our average grant amount this quarter was \$1,925, and we expect this to hold steady into the next quarter.

JAN-JUN 2021
AFFORDABLE HOUSING INITIATIVE

7 approved participants
 47 since program start

\$229,957 rental donations
 Over **\$833,000** since 2019

50 units pledged to date

AFFORDABLE HOUSING INITIATIVE

Outreach over the last 6 months was highly successful and resulted in an extensive waitlist of applicants. We are seeing especially high demand from teachers & nonprofit employees and hope to obtain more units in Q3, particularly in San Mateo County.

If you are interested in supporting our Housing Programs or donating units to our AHl program, please contact us at info@hifinfo.org

Alan's Story

“I was fortunate to receive assistance from HIF for two years, which made it possible for me to afford stable housing and pay off my school loans. At the beginning of the global pandemic, my partner Thao became unemployed and HIF provided the opportunity to have a roof over her head as she searched for work. Fortunately she was able to obtain a job, increasing our income as a whole which allowed us to transition out of the AHl program.”

We are grateful that this opportunity increased our financial stability and proud to transition out of the **AHl program**. We hope that HIF continues to grow giving access to those in need of stable housing.”
