

## Celebrating Inas's 5 Years of Awesomeness!

Join us in celebrating Inas's 5 years of service and the impact she has had on HIF and her:

Strong and unyielding commitment to the communities and families we serve

- Being a consistent and steady force through many changes and transitions at HIF
- Representing HIF to our program recipients and network with grace and great responsiveness
- Always seeking to find ways to help applicants that might otherwise not get the help they need from other programs or even other staff at HIF
- Keeping a very discipline eye on our EHF funds and ensuring that each application fits our priorities and fulfils a legitimate need
- The best cook I have ever known, hands down!

# Thank you Inas!
