

Jason Morvay - National Account Manager, HD Supply

Jason Morvay is a returning Housing Industry Foundation Board Member and a National Account Manager at HD Supply Facilities Maintenance in the Multi-Family Housing vertical. Jason is a native Californian and has been living in the Bay Area since 1978.

He has been with HD Supply for 15 years and he served on the HIF Board of Directors, as well as at the Executive level between 2013-2018. Jason has been involved with the HIF at many levels, first in 2006 with HD Supply's hole sponsorship for the HIF's annual golf fundraiser which they continue to support. In 2007, he supported his first HIF Renovation Project of four low income units for MidPen in Redwood City donating appliances, bath hardware, and window coverings. In the years following he continued to support HIF through in-kind donations for multiple projects and/or provide products at a sizable discount.

Over the years Jason has volunteered for renovations and cleanup projects and organized HD Supply's Corporate Champion sponsorship and peer's volunteering to give back to the community. He also secured HD Supply as a "Title" sponsor of the September Summit, which HD Supply has continued to support since. Jason's history with HIF, his passion for all that HIF does, and his drive to help ensure HIF's continued success will greatly benefit HIF not only in 2020 but well into the future.
