A Word From our Sponsors

The Summit feels like dollars in action. Seeing the community and industry come together with such passion for giving back is incredibly rewarding. That's why we attend. It's a powerful opportunity for everyone to contribute."

Carrie Caudill

Vice President of Asset Preservation, Sequoia Equities

I have been attending the HIF Summit for 25 years, and although the event has grown substantially over all those years, it remains the best event in our industry to connect with friends and colleagues and to support the amazing work the organization does year in and year out in making a very meaningful difference in the lives of those that we serve."

John Millham

President, Prometheus Real Estate Group, Inc.

For about the past 25 years, we've been pleased to be a HIF Summit sponsor. The HIF Board covers the operating expenses so that 100% of the donations can go to the people in need. I encourage each of you to dig deep and make a contribution that will make a huge difference to our community."

Executive Chairman, Holland Partner Group
